

Please see below the comments submitted to Herefordshire Council on behalf of Titley & District Group Parish Council:

Titley Group Parish Council has no objection to this retrospective proposal. Our NDP within Policy TG14 references both the 'enhancement' of the natural environment and the need for proposals to deliver a minimum of a 10% biodiversity net gain. We are confident that this application will achieve this.

We feel the applicant should consider safety protection to prevent falling into the pond, particularly on the steeper sided sections. Also any overflow should not affect the amenity of adjacent neighbours.

Titley Group Parish Council

Rachael Jones

Titley & District Group Parish Clerk
